

MISSOULA CHILDREN'S THEATER INFORMATION

THE SHOW...

Your camper's performance of *The Emperor's New Clothes* will take place in Camp Huston's **Curtis Lodge** and will begin at **4:30pm, Friday July 24, 2020**. The cost of the final show is included in the registration cost for camp. However, there will be an opportunity to make a donation to the Camp Huston Director's Scholarship (campership) Fund, to help send children to Camp who might not otherwise have the opportunity to attend. Because the show depends on each member of the cast, **every camper must be present until the end of the show**. Following a brief but mandatory photo session and costume return, a picnic dinner will be **served at 6:00pm**. We will begin seating for the show at 4:00pm.

Immediately following the show you will have an opportunity to photograph your camper in costume before the costume is returned in full to the Missoula Children's Theater. Once final details of the show are complete we invite you and your camper(s) to **join us for a picnic dinner at 6:00 p.m.!** Please complete the form below and return to: Camp Huston / P.O. Box 140 / Gold Bar, WA 98251.

HEADS-UP: Travelling to Gold Bar on a summer Friday afternoon can result in experiencing heavy traffic. Plan to give yourself some extra time if possible to ensure you arrive in time for the show!

WHO IS MISSOULA CHILDREN'S THEATER?

Missoula Children's Theater has been touring for over 30 years and travels to 1,200 communities in the US, Canada, and overseas. Two trained directors drive the "little red truck" into town, packed full of the show's set, costumes, and props. After auditions on the first day of camp, each camper is cast as a character in the feature show, *The Emperor's New Clothes*. By the end of the week they have rehearsed the part, learned to work together, gained acting skills, and much more. MCT's mission is: **The development of life skills in children through participation in the performing arts**. Additional information about MCT can be found at www.mctinc.org, including bios for travelling directors and the philosophies of the organization.
