Greetings from Camp Huston!

You are registered for **Horse Camp 2**. Camp will begin with Check-In at **3:00 p.m.** on **Sunday July 21, 2014**. The session ends Saturday morning, July 27, 2014 after the Closing Service, which begins at 10am. Families are invited to attend the service.

We're glad that you will be joining us **July 21-27** for a week of fun, friendship, and discovery! As a Horse Camp participant you will experience 2 to 3 hours a day with your assigned horse, learning how to mount, dismount, and groom, while getting comfortable around your horse. You will learn basic control of a horse in the arena and on the trail. We will travel to the ranch in Gold Bar each morning for our riding lessons with KC Letterman and trained equestrian staff. Campers return to camp for lunch and participate in activities at Camp Huston and with the Horse Camp Discovery Group. The Discovery Group experience is an important part of camp. The process of sharing, learning, and growing together can result in experiences that are new and exciting for everyone. You will also be able to do arts and crafts projects, archery, swim in the outdoor pool, participate in chapel, and more! Come with lots of energy, ideas, and a desire to have fun with others!

An important part of the camp experience is living simply and in harmony with the natural surroundings, so please leave smartwatches, tablets, electronic games, cell phones, and personal sports equipment at home – digital cameras are welcome!

**Check-in:** A staff member will direct you where to park. Restrooms are located in Curtis Lodge. Campers and parents/guardians will meet the registrar, the program director, the camp chaplain, and the camp nurse before heading to the cabins with a counselor. For camp tours, please keep an eye on our social media for tour opportunities prior to summer camp. Staff are ready and available to help throughout the check-in process.

**Payment:** Final payment and all completed forms are due at this time. You are responsible for the full camp fee, unless cancellation is made as described below. To make a payment; log in to the registration portal via [www.huston.org](http://www.huston.org); call the office to pay by credit card; or mail in a check payable to Diocese of Olympia. Please contact the Huston office ([info@huston.org](mailto:info@huston.org)) for information on camper scholarships.

**Cancellation:** Cancellations must be received in writing 15 days before the session begins. We will refund your fee, less the \$75 deposit, if we receive written notice as requested. If you must cancel, please let us know as soon as possible, so that others may attend camp.

**Health Form:** The electronically signed and completed health form must be completed online before your arrival. Be sure to agree to the release for emergency medical treatment. Your camper will not be allowed to check in without the agreement noted in the registration account. A physical exam within the past 6 months with a doctor's signature is recommended but not required. During camp, guardians will be contacted in the event of a health concern, illness, or injury that does not progress as expected, or a situation requiring medical treatment outside of camp.

**Medication:** All prescription and non-prescription camper medications are collected by the camp nurse at check in, for your child's and everyone's safety. Medications and all non-prescription items (like vitamins, herbal supplements, pain relievers, creams, etc.) *must be in the original containers, with the original label showing the camper's name and doctor's directions for administration.* Make sure the medications are not expired. Our medical staff fully controls medication dispensing in accordance with the doctor's prescription. Pill boxes/organizers are not accepted. Be sure to pack enough for the entire camp session. Please have prescription and non-prescription medications such as vitamins, herbal supplements, pain relievers, creams, etc. readily available to hand in to the camp nurse at check in. Campers on psycho-therapeutic medication must be on the prescribed dose for a minimum of three months prior to arrival at camp.

**Inhalers:** Even if your camper doesn't frequently need their inhaler, please bring it! The environment and activities at camp can affect breathing differently than at home.

**Communication from home:** Letters, postcards, emails, and non-food care packages to campers are encouraged! Snacks are provided – please do not send food (candy, gum, etc.). Your camper will not need money, as there is no camp store. All campers receive a Camp Huston T-shirt on the last day of camp. Campers will not be called to the telephone, although arrangements can be made to talk to your camper in case of an emergency. Email may be sent to your camper at [registrar@huston.org](mailto:registrar@huston.org) with your camper's full name in the subject box. Email will be delivered that day if received before 11am or the following day if received after 11am. Email sent the last day of the session will not be delivered.

During the session, no personal vehicles are allowed into lower camp. The speed limit on camp property is 10mph. Animals are not permitted to stay at camp.

**Early dismissal:** In the event a camper must return home early, for a medical or behavioral reason; parents or guardians are responsible to pick up the camper immediately upon notification. Smoking is not permitted and possession of illegal drugs, alcohol, or weapons will result in immediate removal from camp. There is no refund for campers who must leave early.
